Subpart G—Distance Learning and Telemedicine Loan Program

SOURCE: 64 FR 14369, Mar. 25, 1999, unless otherwise noted.

§ 1703.140 Use of loan funds.

A loan may be used by eligible organizations as defined in § 1703.103 for distance learning and telemedicine projects to finance 100 percent of the cost of approved purposes contained in § 1703.141 provided that no financial assistance may exceed the maximum amount for the year in which the loan is made. Entities seeking a loan must be able to provide security and execute a note with a maturity period greater than one year. The following entities are eligible for loans under this subpart:

(a) Organizations as defined in § 1703.103. If a RUS telecommunications borrower is seeking a loan, the borrower does not need to submit all of the financial security information required by § 1703.144(d). The borrower's latest financial report (Form 479) filed with RUS and any additional information relevant to the project, as determined by RUS, will suffice;

(b) Any non-profit or for-profit entity, public or private entity, urban or rural institution, or rural educational broadcaster, which proposes to provide and receive distance learning and telemedicine services to carry out the purposes of this subpart; or

(c) Any entity that contracts with an eligible organization in paragraphs (a) or (b) of this section for constructing distance learning or telemedicine fa-

cilities for the purposes contained in § 1703.141, except for those purposes in § 1703.141(h).

(d) Applicants must meet the minimum eligibility requirement for determining the extent to which the project serves rural areas as contained in § 1703.126(b)(2) (the applicant must receive at least 20 points to be eligible to receive financial assistance under this subpart).

§ 1703.141 Approved purposes for loans.

The following are approved purposes for loans:

(a) Acquiring, by lease or purchase, eligible equipment or facilities as defined in § 1703.102;

(b) Acquiring instructional programming;

(c) Providing technical assistance and instruction for using eligible equipment, including any related software; developing instructional programming; providing engineering or environmental studies relating to the establishment or expansion of the phase of the project that is being financed with the loan (financial assistance for this purpose shall not exceed 10 percent of the requested financial assistance);

(d) Paying for medical or educational equipment and facilities which are shown to be necessary to implement the project, including vehicles utilizing distance learning and telemedicine technology to deliver educational and health care services. The applicant must demonstrate that such items are necessary to meet the purposes under this subpart and financial assistance for such equipment and facilities is not available from other sources at a cost which would not adversely affect the economic viability of the project;

(e) Providing links between teachers and students or medical professionals who are located at the same facility, provided that such facility receives or provides distance learning or telemedicine services as part of a distance learning or telemedicine network which meets the purposes of this subpart;
